

Adventurer™ Pro Rx

Pharmacy Balance

The Most Complete Pharmacy Balance in its Class

The new Adventurer Pro Rx represents the latest in cutting edge technology for pharmacy weighing. Adventurer Pro Rx offers a variety of featurings including internal calibration and standard RS232 for communication to a printer or computer.

SmarText™ Software

SmarText™ is Ohaus' easy to use balance software that utilizes text Prompts to guide users through application use and balance setup. Delivered through a 2-line backlit LCD and clearly marked buttons, SmarText™ tells you what is going on and what you have to do next.

QuadraStance™ Design

QuadraStance™ design incorporates four feet to provide superior footprint stability on any surface.

Frameless Draftshield

The draftshield is designed without top rails so users have unobstructed entry to place or retrieve materials to be weighed. All doors including front and back glass panels are simple to remove and replace for fast and easy cleaning.

Standard Features include:

- Internal calibration
- NTEP certified
- 2 line backlit LCD
- Frameless draftshield with removable doors
- Counting feature for prescription filling
- Meets handbook 44 requirements
