- **Dashpot**– Standard
- **Finish**– Powder coated

250 Series Portion Control Mechanical Top Loader Scales

Features

Where economy is a must the Brecknell Model 250-6S toploading 152 mm / 6" dial scale is ideal for a variety of applications with fixed weight limits.

Designed for the food service industry, the scale features stainless steel platform, easy-to-read single marked kilograms or dual marked kilogram and pound dials with large pointers, dashpot for fast readings and sturdy construction. Choose from 5 kg / 11 lb or 10 kg / 22 lb capacities all in stainless steel.

The Model 250-8 is an 203 mm / 8" mechanical scale with a fixed weight dial and is easy-to-read from a distance. The dual marked dial shows simultaneous readings of kilograms and pounds. The powder coated finish and sturdy construction make this multi-purpose scale suitable for many weighing applications. Choose from 30 kg / 66 lb or 60 kg / 130 lb capacities in gray mild steel finish.
