### Stainless Steel MECHANICAL Health Care Scales

Enjoy the classic elegance of stainless steel in your Detecto mechanical weighbeam scale. A platform cover that lifts off easily combined with the stainless steel casing makes cleanup a breeze. Water damage from mopping and high humidity areas around swimming pools is a thing of the past with Detecto's stainless steel health care scales. Scale height is 59" (1.5 m) and the die-cast beam can be easily read from either side.
